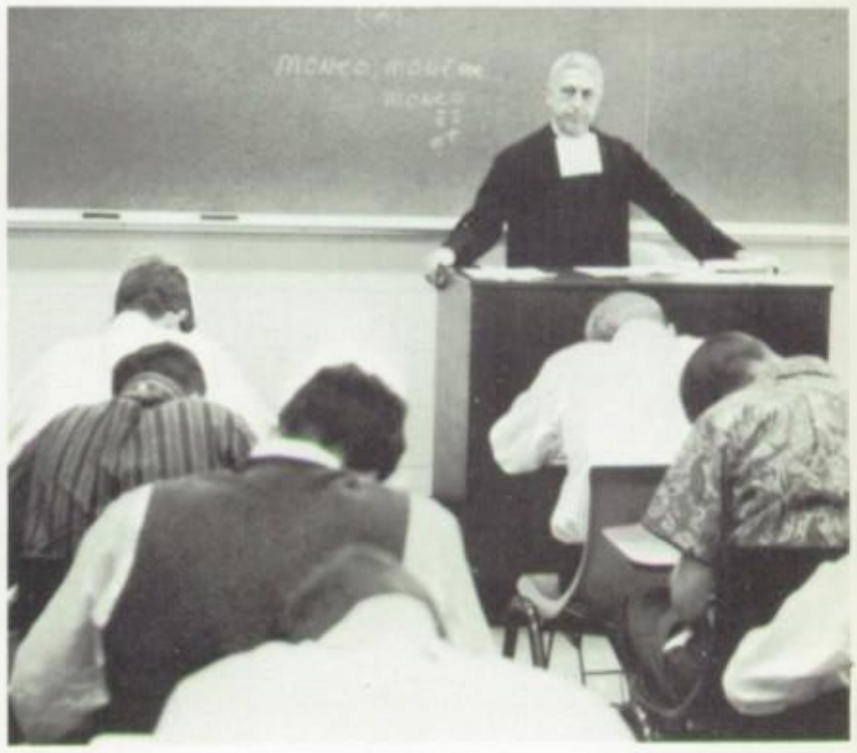
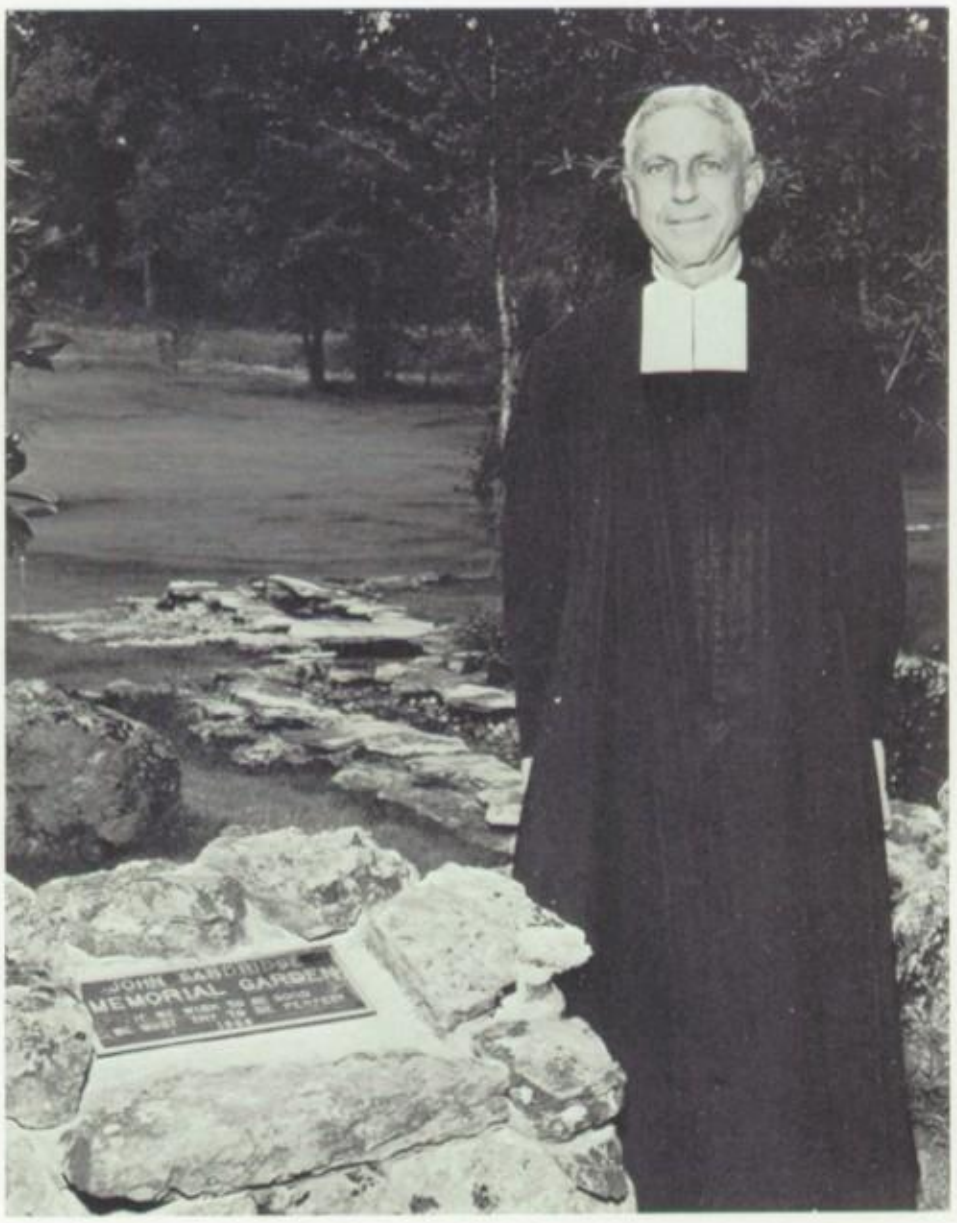
Dedication

Brother Adrian, F.S.C.



With deepest appreciation and admiration, Christian Brothers High School wishes to dedicate the 1967 *Chronicle* to Brother Adrian, F.S.C. Many men, past and present, have contributed much to the continuing tradition of Christian Brothers High School, yet only under the direction of Brother Adrian has our Walnut Grove Road school become a reality. He has brought a combination of forceful thinking and hard work to this task, and through his example as a religious and a gentleman we have all benefitted. By this token acknowledgement the faculty and student body wish to recognize Brother Adrian, administrator and teacher, and thank him for his generous service.



Wherever Christian Brothers High School students gather, they reflect the spirit of their school.

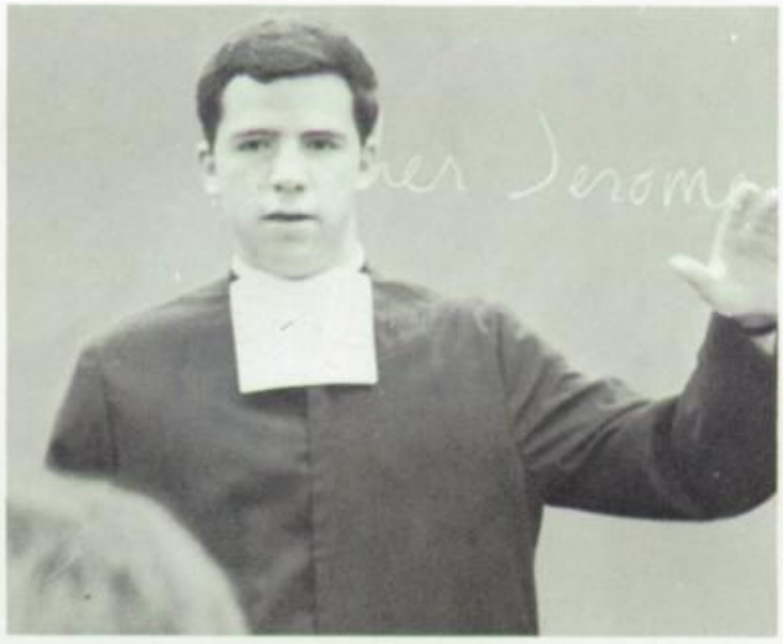
Brother Edwin's dream come true—*Tinkertoys*

How should I tell his mother . . . ?

Security is a tasty *Bic* pen.



I used to be this tall, until I started eating *Betty Benson* pecan clusters.

I used to be this tall, until I started eating *Betty Benson* pecan rolls.

"Well now, let's fly back to reality."

SENIOR (sen-yer) Noun, From ancient Indo-European *see-nus;* OVERWORKED

1. One who has asked St. John Baptist de la Salle to pray for him 5,100 times. 2. One who needs a 26-hour day, an 8-day week, a 40-day month and a 5-month school year. 3. One who wonders why colleges want to know if he has had chicken-pox, mumps, or beri-beri. 4. One who bugs Mr. Waff to get PCS, SAT, ACH, ACT, and PSAT forms PDQ. 5. One who is thankful that he has survived (more or less) two years of the ARA. 6. One who has many fond memories: the fun ninety-degree weather at the old school, the last Cadillac raffle and the first candy drive, the memorable ground-spooning ceremony, seeing his car become imbedded in the parking lot, strolling through the Memorial Rock Garden. 7. One who looks to the future, but is sad to see the past slip away.

Of all the honors granted by Christian Brothers High School to its students, membership in the National Honor Society is the most highly prized and coveted. These Seniors and a select few Juniors were chosen by their classmates and teachers as the ones most representing the ideal union of service, leadership, character, and scholarship. On account of their outstanding merit in such areas, C.B.H.S. is proud to grant these young men its highest honor.

The Student Government started the year right with a pre-school carwash to raise money. The treasury was supplemented continually by means of dances, football tickets, and the sale of Homecoming buttons; thus always having enough capital to cover any situation. City-wide recognition was won through the Committee-at-Large in the St. Jude Charity Drive. Our volunteers took in 675 dollars which was the highest amount collected in the city. The Executive Board also sponsored such significant projects as the Homecoming, the Favorite School Contest, Career Night, and the Leadership Conference. These are just a few of the programs put on with the help of the students. As a result, the Student Government enjoyed a most productive and successful year.

Band

The Christian Brothers High School Band continued its outstanding performance through the past school year, retaining their image as the number one band in the state.

Once again, through the fine leadership and devotion of Director Ralph Hale, the talents of each band member were integrated and perfected into many spectacular performances.

This year, as in the past, the Band served as a leading service organization, adding that important extra touch to so many events. Band members were always on hand for pep rallies, and formed an important part of our football cheering section.

The band, through invitation, played at two political rallies, and some of the members played for functions during the retreat. A dance band was formed during the second semester by a few of the band members.

The C.B.H.S. band made an excellent showing in competition this year. Five members were selected for the All-State Band and eight others made the All-West Tennessee Band.

High quality requires a hardworking staff. Many hours of energetic planning, art work, and writing have gone into making this production a yearbook C.B.H.S. students can be proud of. Both satisfaction of fellow students and pride in putting out an outstanding *Chronicle* will be the rewards of the staff's diligence.

Success—literary and financial—epitomized the fifth year of existence for The Log, a school periodical. Excellent poems, short stories, and essays that were written by students not only from Christian Brothers but also from various girls' schools in Memphis were featured in each issue. The artistic drawings of Publisher Jim Donahue gave the magazine a professional touch, and the monetary wizardry of Business Manager Rick Rudstrom relieved aspiring young writers of financial pressures. The school year of 1966-67 was perhaps the most successful ever for The Log.

The service organization of C.B.H.S. has just completed its second successful year at the new school. In the Key Club tradition this year's club offered its assistance and support whenever possible. A fruitful Parent's Day, a successful dance, a rewarding junior-senior retreat, and the annual Oscar Assembly were the fruits of a year of labor. Ushering at school assemblies and basketball games was also very helpful to the school.

The Annual Oscar Assembly, which is the main function of the Key Club, provided an afternoon of entertainment and honored outstanding students for their contributions to the school.

The structure of the Key Club was altered this year. Standing committees were dissolved and a Board of Directors was set up. Under this streamed system the Key Club produced its traditionally fine service and unlocked the door to new experiences in more thorough service.

Homecoming, drama, sports, Prom,—these are just a few of the school functions which the Maurelian covers. The experience of editors Bill Andereck and Tom Pratt, in addition to the dedication of their staff of representatives and the leadership of Brother Arnold, moderator, assured successful publication of the 66-67 Maurelians. The staff of the school paper presented a complete, vibrant, and sometimes humorous, but always enjoyable view of campus life from Mike O'Shaughnessy's "The Drain" to Jim Maher's "What If". Every student with a desire to try his hand at journalism has had the opportunity to write for the Maurilian. This year's Maurelian has upheld the tradition of excellence that typifies C.B.H.S.

Go Brothers!

Members make a last minute check before the game with Oakhaven.

Under the guidance of Dick Chiles the Go Brothers reached new heights in stimulating a peak of burning spirit among the students.

Members worked long and hard decorating the goal posts and painting and putting up signs. Many other members contributed their talents and sacrificed their time by painting various signs for each game. There were afternoons when they worked to within one half an hour before the kickoff.

Shimmeying up the goal posts on those windy afternoons were Bill Hartz, Joe Hader, and John Knight. Their creative genius turned out a new design for every game. Stretching their frames every inch to put the signs atop the stadium were Gary Chiles, T. W. Jones, Tom Nenon, and Chuck Nestrud.

Members have continued the spirit by decorating the gym for basketball games. The Go Brothers Club also promoted school spirit throughout '67 by supporting our track, baseball, tennis, and golf teams.

Jim Newton and John Knight prepare for the tedious job of decorating the goal posts.

OFFICERS: J. Lightman, President; D. Barsotti, Vice-President; S. Schricker, Secretary; D. Hillman, Treasurer.

"Outstanding!" "Superb!" "Tremendous!" These have been only a few of the comments made about C.B.H.S. revived and the long-needed drama department. Under the proficient guidance of Mr. Lavecchia, our neophytes of the stage have thrilled as well as entertained patrons of the theater. Having produced, successfully, "Witness for the Prosecution", our students of drama are determined to reward their fans with a spring production.

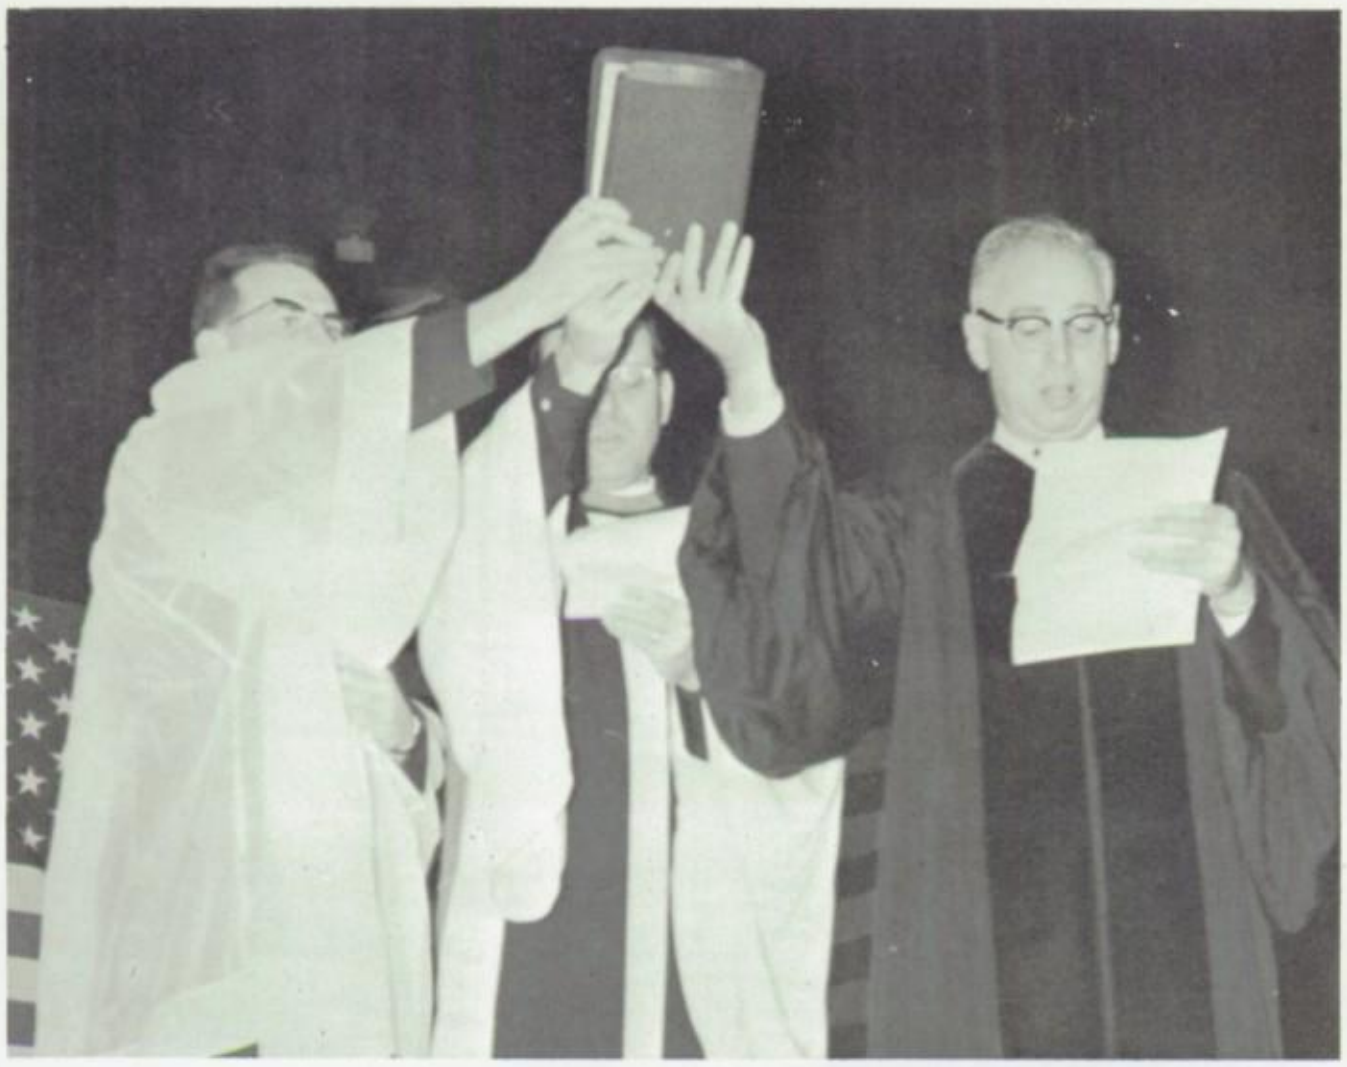
GROG! The melody of this tune is brought to our sensitive ears at the early hour of 7:30 every morning. To those who are still in wonderment, these "sounds of music" come from Brother John's successful singers. A C.B.H.S. FIRST, it is yet another great accomplishment for the Brothers. Brother John's C. B. Singers have already made many appearances throughout the city. Their dedicated effort has been rewarded, not only by their enjoyment in singing but also by the favorable comments of many audiences.

Junior-Senior Retreat



Interfaith Ceremony

This year the students of Christian Brothers High School have been presented with every opportunity for personal sanctification. For the Catholic students and faculty members who wished to participate, Mass was celebrated two days each week during Lent and twice a year for each religion class. Both confession and Holy Communion were part of the daily program.

Father Hayden, with the assistance of several seniors, conducted a retreat for the Catholic Juniors and Seniors of the school. After several enlightening lectures and discussion periods, the retreat was climaxed by an interfaith service, in which Rabbi Wax, Reverend Hudson, and Father Hayden commented on selected readings from Sacred Scripture.

Tim McCarver, Coach Tom Nix, and Phil Gagliano—Speakers at the Christ Light Service.

Legion of Mary

B. Andereck, Father Hayden, J. Bain, L. Schmidt, B. Thomas, B. Burke.

Discussions are a basic part of a Legion Meeting.

Although the Legion of Mary, which is one of the two spiritual institutions now serving the students, comprises only five seniors and one freshman, it has, in a modest way, contributed significantly to the community. Visiting the Shelby County Hospital, singing at the Shelby County Penal Farm, working in the sacristy, and typing for the Chaplain's office have become the major projects of the Legion.

Under the spiritual direction of Father Hayden, the Legion of Mary tried to develop deep religious spirit and conviction in each member. Spiritual reading and enlightening discussions were basic ingredients of each meeting.

Benildus Club

O'Shaughnessy's dominate the Benildus Club.

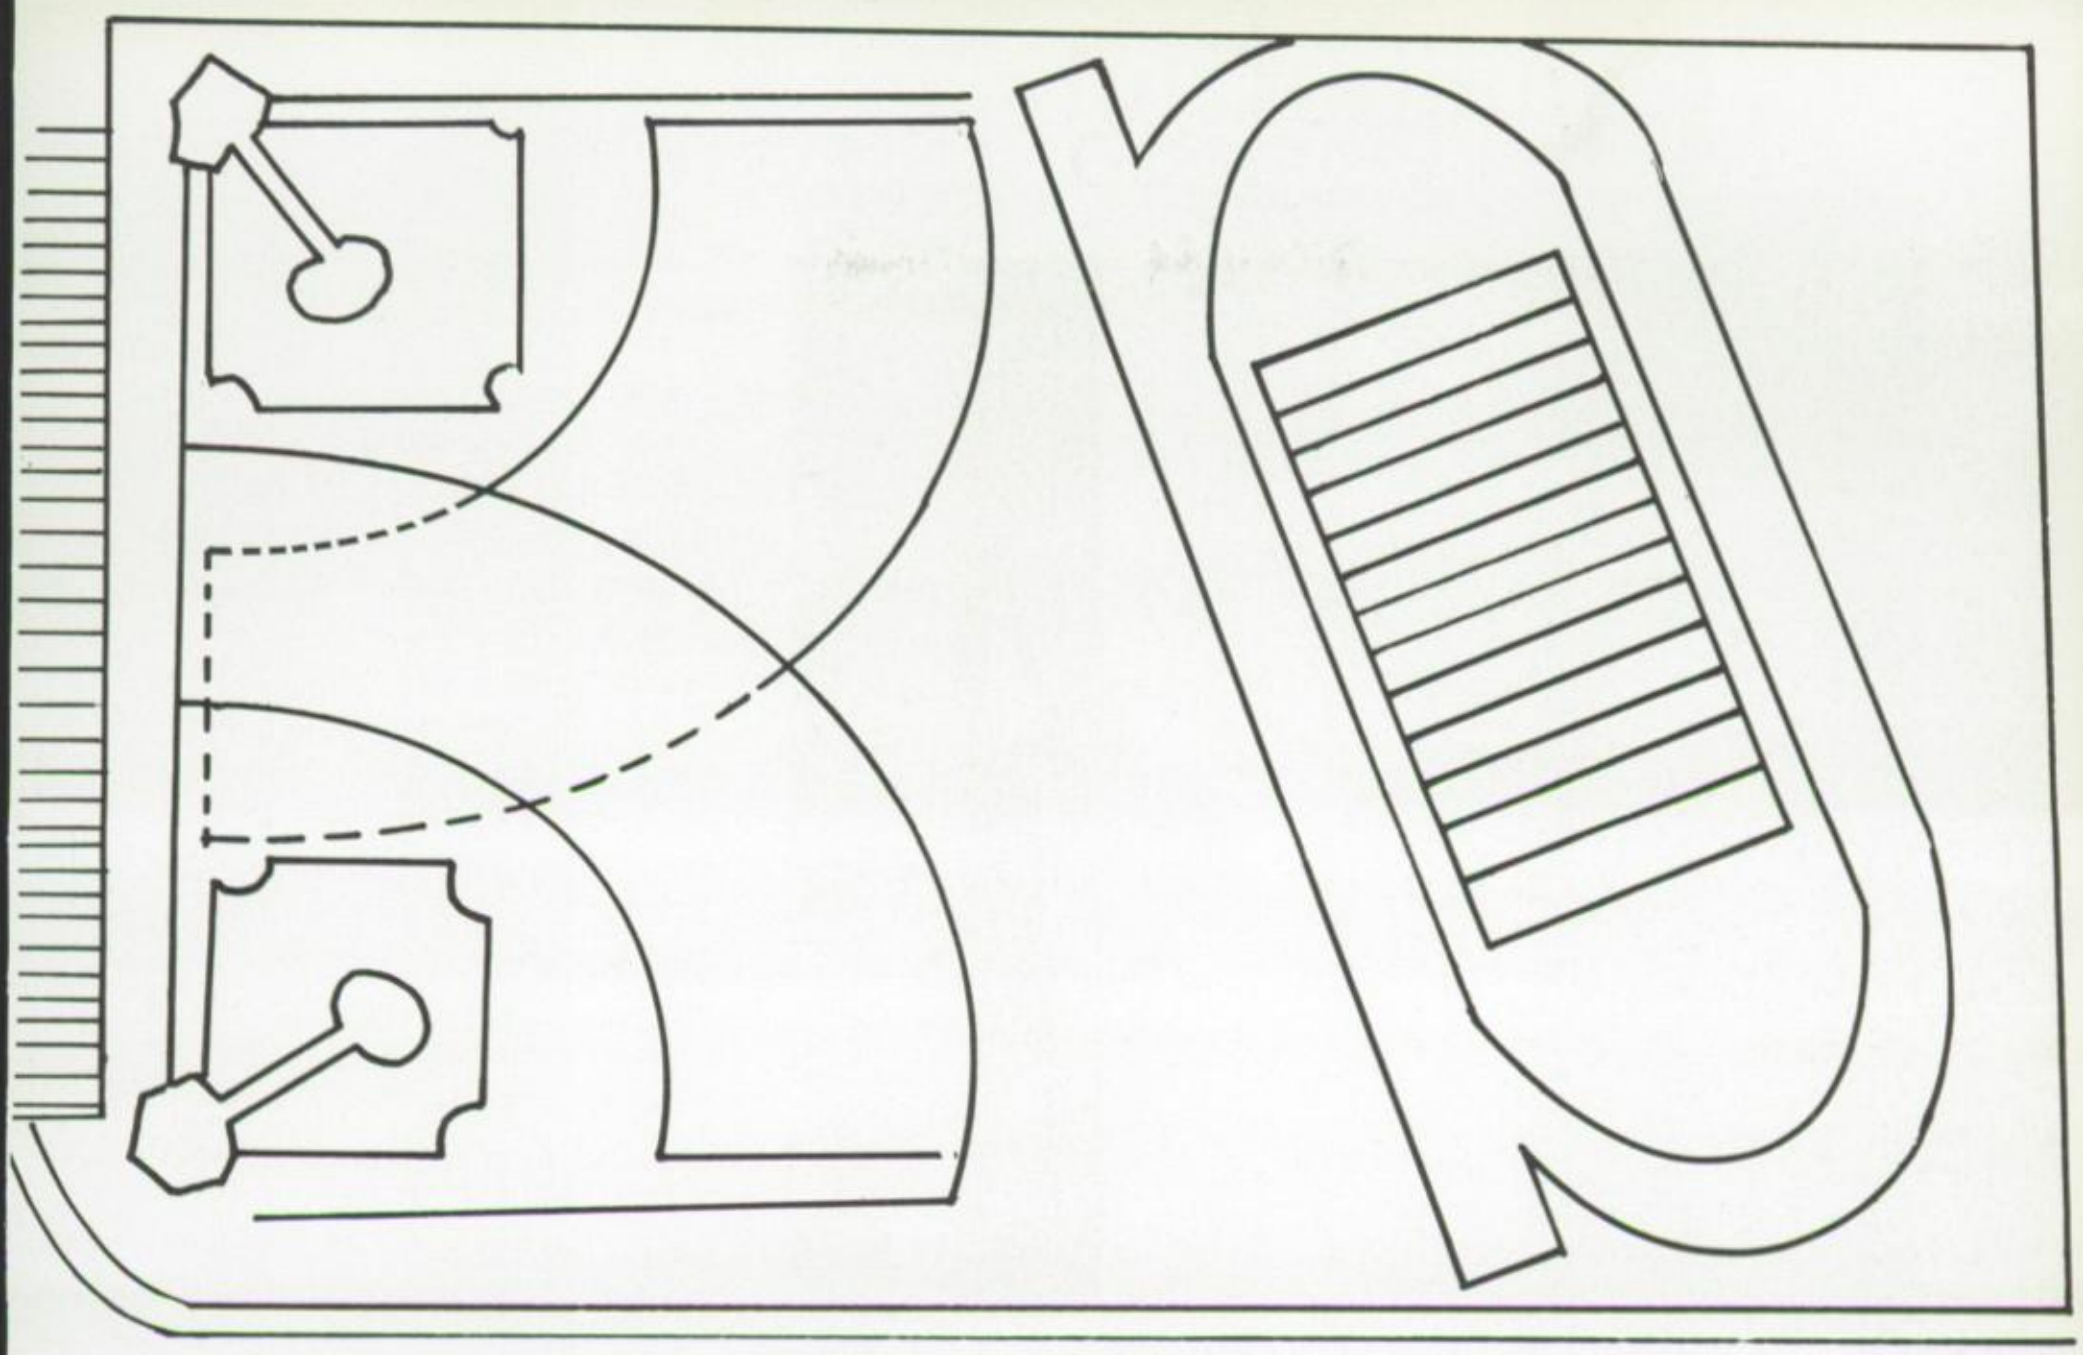
The main objective of the Benildus Club is the development of each member into a strong Christian man aware of his spiritual responsibilities to himself and to others. This year, under the direction of Brother John, the Benildus Club strove to accomplish this through monthly Mass and monthly meetings, at which a competent speaker was featured to lecture on any of a variety of subjects. As in the past, the annual Christmas distribution was the main project of the year. On December 23, twenty-five baskets were distributed among the needy families of the city.

Mothers Club

OFFICERS: Mrs. Herbert Hanggi, Treasurer; Mrs. Wallace Bruce, Recording Secretary; Mrs. Joe Orman, President; Mrs. John Montesi, Vice-President; Mrs. Matthew Wood, Corresponding Secretary.

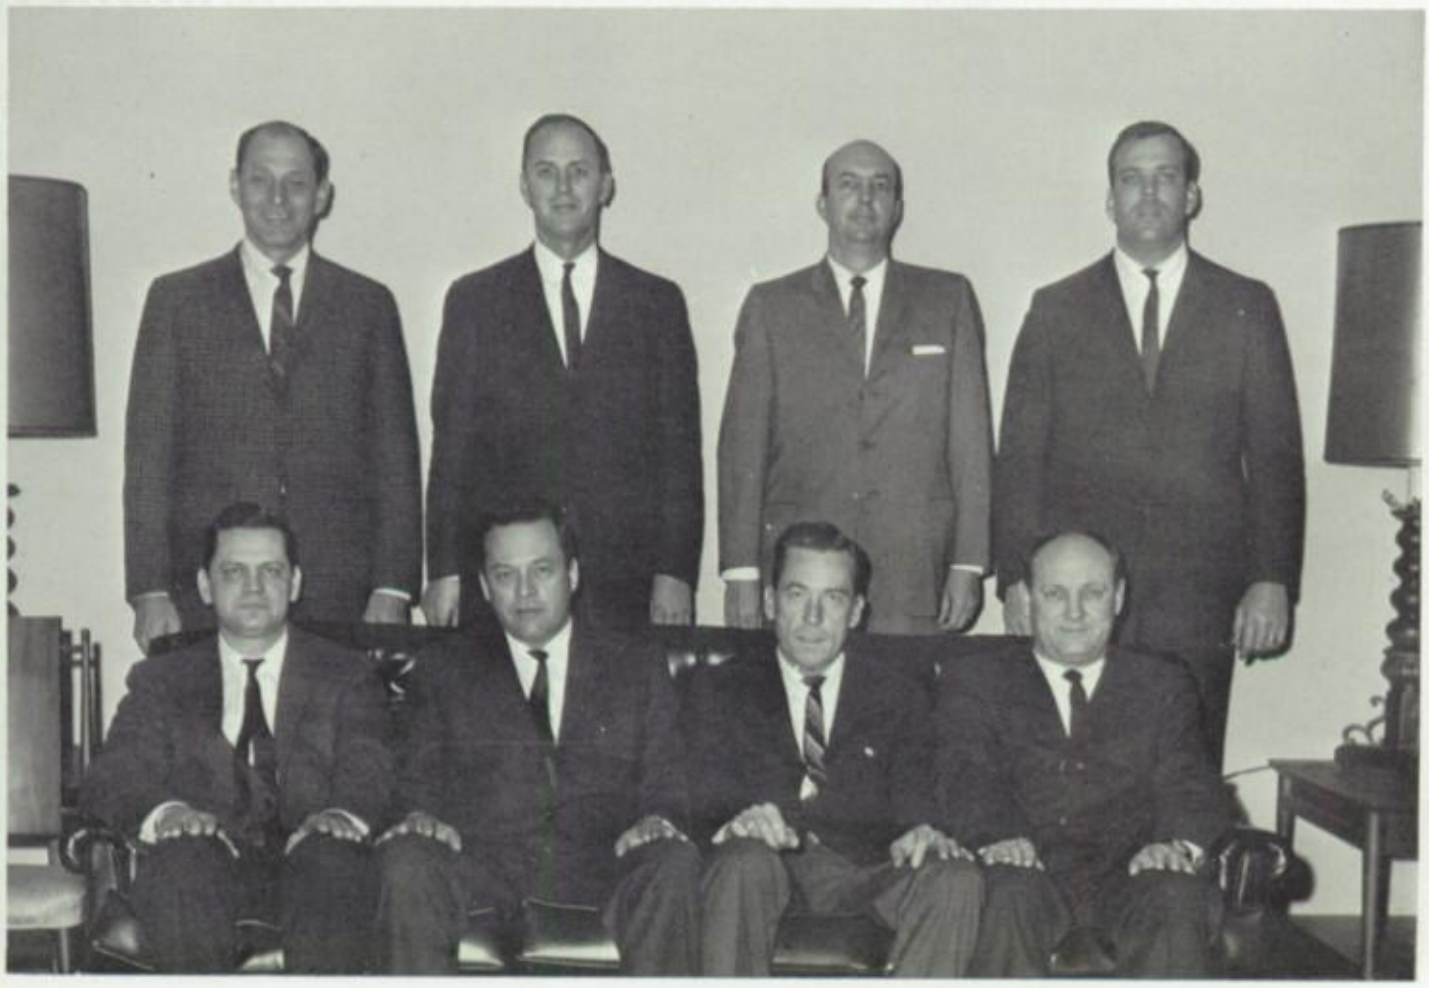
The purpose of the Mother's Club is to create a closer relationship between mothers and school through parent-education programming and to render financial assistance where needed through fund raising projects. This purpose was attained by equipping the auditorium with permanent theater seating. Some of the projects undertaken by the Mother's Club this year were the First Annual Father-Son Banquet, a Dinner-Dance at the Rivermont, the Betty Benson Candy Drive, the Annual Spring Card Party, and an Installation Luncheon.

CHAIRWOMEN: Mrs. Henry Schmidt, Dinner-Dance; Mrs. George Lamar, Father-Son Banquet; Mrs. William Andereck, Luncheon; Mrs. James Sweeney, Card Party. MISSING: Mrs. J. J. Powers, Candy Drive.



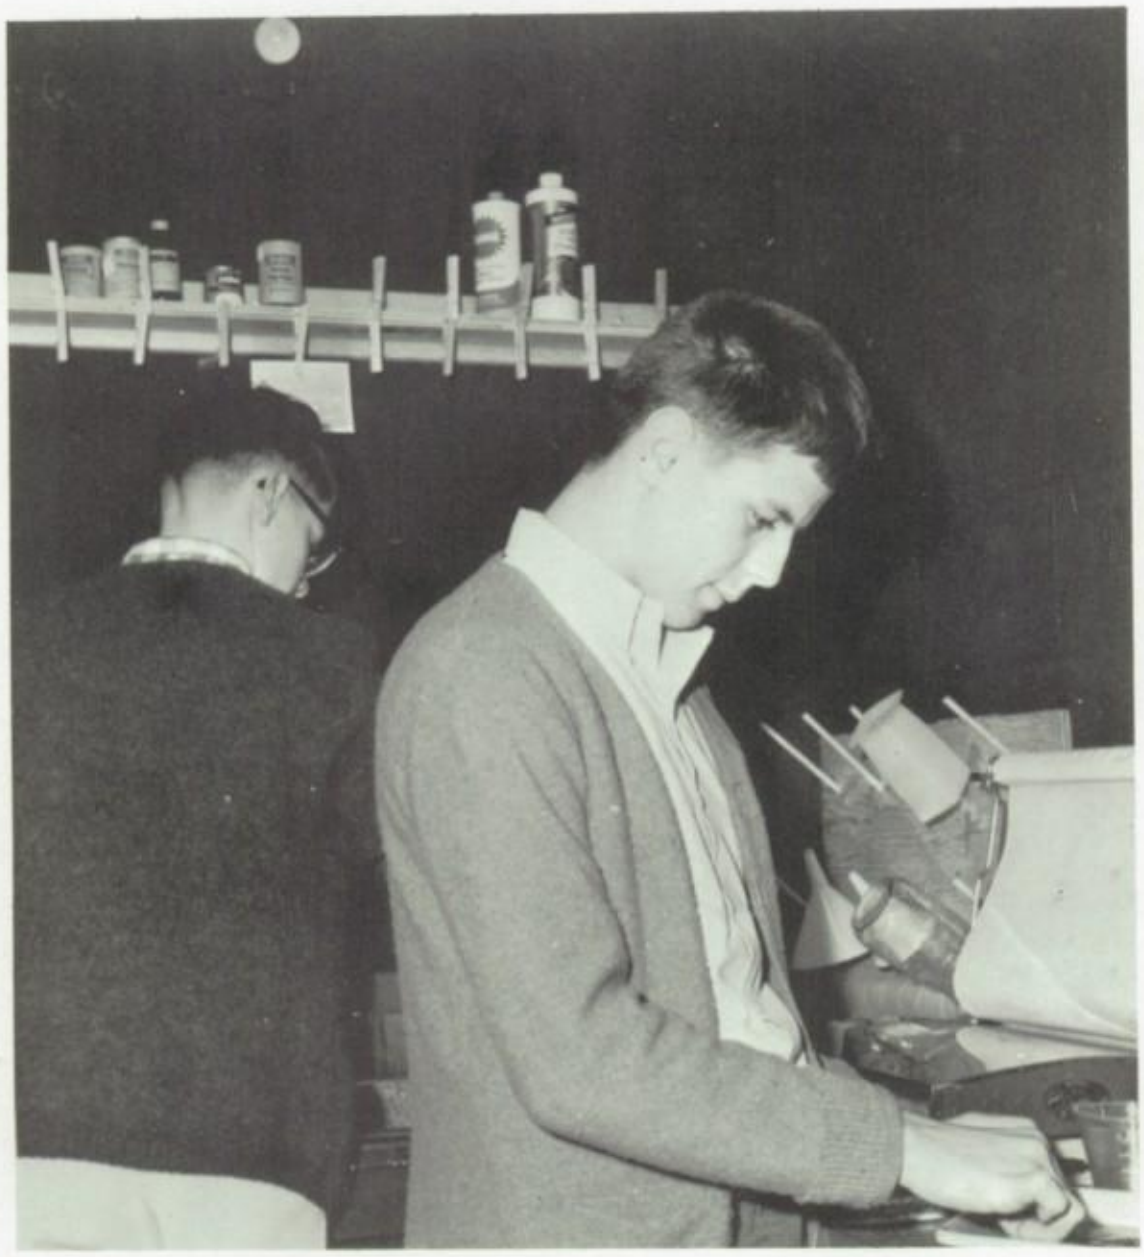
The future C.B.H.S. Memorial Field

Boosters Club



Due to the interest and devotion of a few dedicated men and under the guidance of Coach Tom Nix, The C.B.H.S. Boosters Club was incorporated in 1966. The purpose of this organization is to help the Brothers and to give aid and support to the athletic department. The Boosters Club needs support from anyone interested in helping with their many projects. Fathers of students, alumni, and interested friends are welcome! Their first project is to build a memorial field dedicated to all deceased who have attended C.B.H.S. The officers appointed to get this program started are: President, Paul "Sonny" Gowen; Vice-president, William Massey; Secretary, Donnelley Hill; and Treasurer, Merrill Dan.

Camera Club



The roving shutterbugs of the Camera Club furnish the Maurelian and the Chronicle with the majority of their pictures. Quality as well as quantity is stressed with their pictures. The hard-working members have taken over 3,000 pictures already this year. Under the supervision of Brother Edwin, the Club has sponsored picture sales to various campus groups, This will also be done by taking color portraits of couples at this year's Junior-Senior Prom. For those who don't know, there is a well-equipped darkroom at school. Without the assistance of the Camera Club, the CBHS publications would be without pictures.

This year, as never before, the Radio Club soared to new heights. It not only sponsored the first science assembly in the new school, in the form of a LASER demonstration by Southern Bell Telephone Company, but also toured many Memphis facilities, received $800 worth of electronic equipment donated by Christian Brothers College, conducted weekly amateur license classes with several students obtaining their novice radio operator licenses. A new amateur station was assembled, and a radio telegram service, manned by licensed students, to send messages for C.B.H.S. students and their relatives, was established. Climaxing a year of strenuous but enjoyable work, the club itself obtained its station license. With its own licensed station operated by licensed operators, club members look forward to communicating with many distant stations in the future.

The Chess Club moved its way through a moderately active year. The main function of the club was to send a five man team to participate in the city chess tournaments. The different high schools throughout the city competed with each other in these events. Another function of the club was to familiarize the members with the other chess players in the school and encourage individual games.

OFFICERS: Bill Parham, Robin Frase, H. R. Baker, Sheldon Newman

The Science Club inaugurated a new structure of operation which put more emphasis on actual scientific experimentation. This year we ended up with a very active Chemistry Club and Physics Club.

The old structure was cumbersome, inefficent, and non-active. All of the operations of these former divisions were incorporated into the program of the general Science Club. In this way more students were able to participate and concentrate on their particular interests.

In Memoriam

Mr. James J. Corbitt, a man relatively unknown among the recent students of our school, sponsored the American Legion Baseball Team from 1945 to 1957. Under the auspices and support of Mr. Corbitt for 13 years, C.B.H.S. baseball squads won 10 state championships and was the team to beat in American Legion play. In memory of long time financial support the CHRONICLE would like to offer its deepest gratitude.

Homecoming

HOMECOMING COURT: Bob Hanggi, Becky Sharp, Libby Keller, Andy Canale, Suzanne Hansom, T. W. Jones

The 1966 Homecoming proved to be one of the outstanding events of the school year. To set the ball rolling, Homecoming buttons (small enough to wear) were sported by the Brother's backers. That Thursday night everyone rallied for the game around a raging bonfire. Spirit was heightened by a 27-2 victory over Messick and crowning of Queen Libby Keller. Friday night at the auditorium the "Poor Little Rich Kids" grooved out to bring the week's festivities to a climax. All these events combined to make a Homecoming that will surely be remembered.

Varsity Football

The Brothers started the season as the "dark horse" in the Eastern Division race in 1966, and ended as Co-Champions of the city. Utilizing an agile, mobile, and hostile defense coupled with an explosive and powerful offense, the Purple Wave rolled over opponent after opponent. The inexperienced team matured quickly after their opening 14-13 victory over Melrose. The Brothers then added nine straight victories to their first, including an impressive 42-6 defeat of closest contender Overton, and a 20-0 win over White Station.

Under the superior leadership of Coach Tom Nix and his excellent coaching staff, the Brothers posted a 10-0-1 record. The Purple Wave was rated third in the state at the close of the season.

Championship Game

Following an undefeated season, Christian Brothers once again met their traditional rival, Catholic High. Our staunch defense held the powerful Terrier offense to an early first quarter touchdown after a fumble deep in our own territory. The score remained 7-0 until halftime. The Brothers, a second half team all season, began rolling in the fourth quarter. In that period our offense drove 96 yards, sparked by the 50 yard run of speedy halfback, Skeeter Gowen. Skeeter plunged over from the five to cap the tremendous Brother's drive. The score remained deadlocked and gave the Purple Wave the title of Co-Champions for the 1966 football season.

Varsity Basketball

Kelly fights for tip against Lester.

The 1966-67 varsity basketball team ended its season with the most impressive record of any C.B.H.S. cage team of the past years. Finishing in fifth place, the team showed the ever present Brother's spirit. Coach Reid, handing in his, fnest coaching performance since coming to C.B.H.S., has great hopes for the future. Many times throughout the season the Purple Wave battled down to the final seconds, emerging victorious in most of those tilts. The Brother's determination against the always powerful Treadwell inspired the opponent to perhaps their finest game of the season. Next season the Brothers will be a club to be reckoned with.

B-Team

The 1966-67 B-team can be described in one word: "Stupendous". Under the expert handling of the new coach, Mr. Noel Carie, the B-team compiled a record of 18 wins against 2 losses, one of the best seasons in Christan Brothers High School history. This year the team was not just five players but an entire squad working together obtaining experience for varsity work.

Track

A desperate lunge gives Montesi a crucial photo-finish.

Having completed a successful Indoor Track season by emerging victorious in three out of five meets and placing second in the 880 run and second in the sprint medley relay in the annual Southeastern United States Track and Field Championships in Chattanooga, the C.B.H.S. Purple Wave went on to complete a successful outdoor season. Many of these meets were run at the new Halle Rubberized track, and the Brothers once again displayed their superiority.

Cross-Country

The boys who ran cross country can tell you that it is not just another sport. Cross country is one of the most demanding competitive sports, requiring a lot of time and sacrifice. Jim McGhee, Terry Ryan, and Ray Shivers paced the Brothers to one of their most successful seasons. With the aid of the other boys, the team placed third in the city and third in West Tennessee. The team went on to win fifth place in the state.

Varsity Baseball

Setting his sights on a better season this year, baseball coach Robert Crone plans to avenge last year's second place despite the loss of six starting seniors.

Because the 1967 club is inexperienced Coach Crone expects lively competition for most positions. Led by pitchers Frank Farino and Jim Evans the Brothers should provide an interesting challenge to every opponent.

FRONT ROW: Q. Houston, M. Waller, E. Hays, H. Miller, D. Hallford, D. Lyons. BACK ROW: Coach Nafe David, M. Turk, T. Orman, M. Evans, S. Bell, K. Walsh.

The 1967 C.B.H.S. golf team will try to follow the pace set by last year's state champions; but the loss of four seniors will undoubtedly hamper their attempt. However, under the leadership of Coach Nafe David, the golfers will begin a period of reconstruction. Nevertheless, the young team will be a threat to opposing teams for the city championship, continuing the fine tradition of Christian Brother's athletics.

Tennis

Mattingly displays a serving technique.

The tennis team hopes to scale the heights it reached last year. Under the leadership of Brother Lawrence Justin, it captured the Division and City titles and only fell prey to M.U.S. n the regional playoffs. This year the reins have been taken over by Brother Emmett Stephen and under his organization and coaching, the team hopes to dethrone rival M.U.S. The team will be composed of an equal number of veterans and underclassmen.

Freshman Football

Walsh passes against Colonial.

Colonial defenders bring down Benskin after a sizable gain.

The Baby Brothers had another winning season under the guidance of Coach Moran and Coach Crone. They got off to a good start with impressive victories over Fairview and Kingsbury, losing the next game 12-0 to the strong defense of Sherwood. This was the Freshman team's only loss of the season. They went on to beat Catholic and Colonial, and tie White Station 0-0, to post a 4-1-1 record for the season.

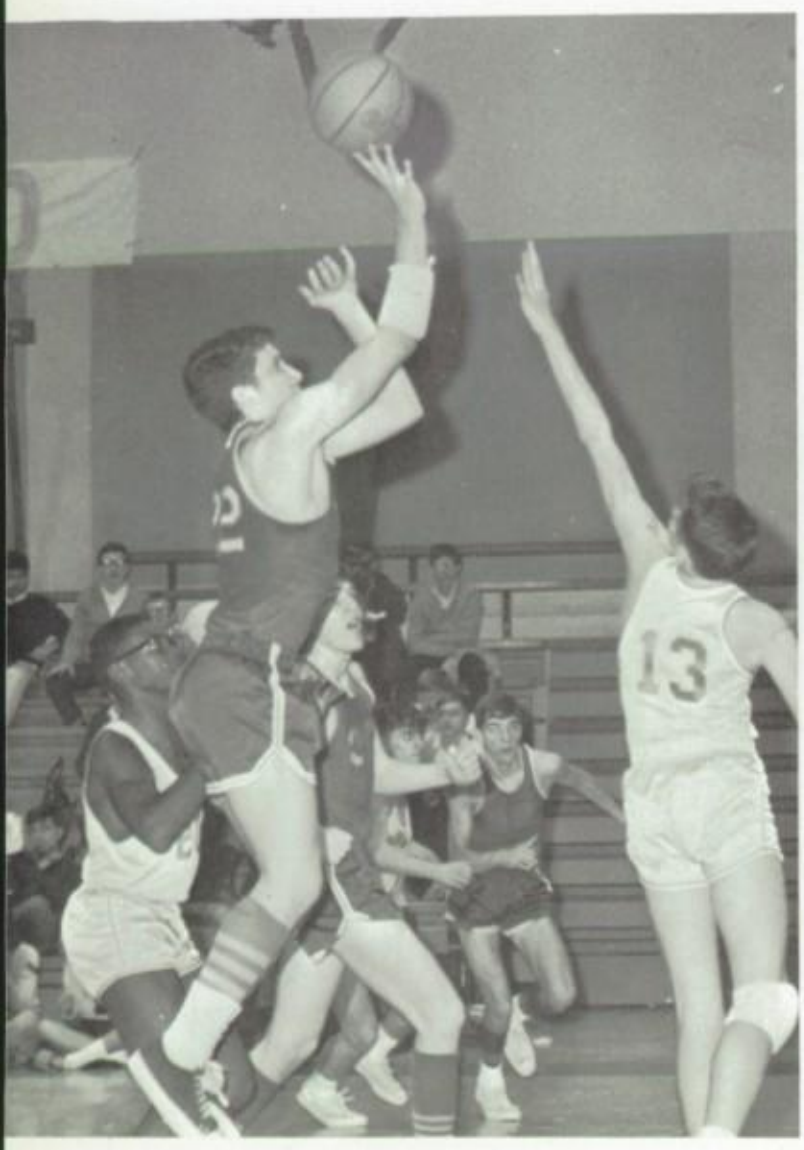
Bennett, from the line.



Spinosa gets a clear shot.

With an effortless motion, Benskin lofts a shot over an outstretched defender's arm.

The Baby Brothers ended another fine season with a record of 11-5. Coach Noel Carrie proved to be a fine new addition to our abundantly endowed coaching staff. He directed the young team to the runner-up position in District One, narrowly being edged out by always tough Sherwood. The future looks bright, indeed, for the C.B.H.S. cagers.

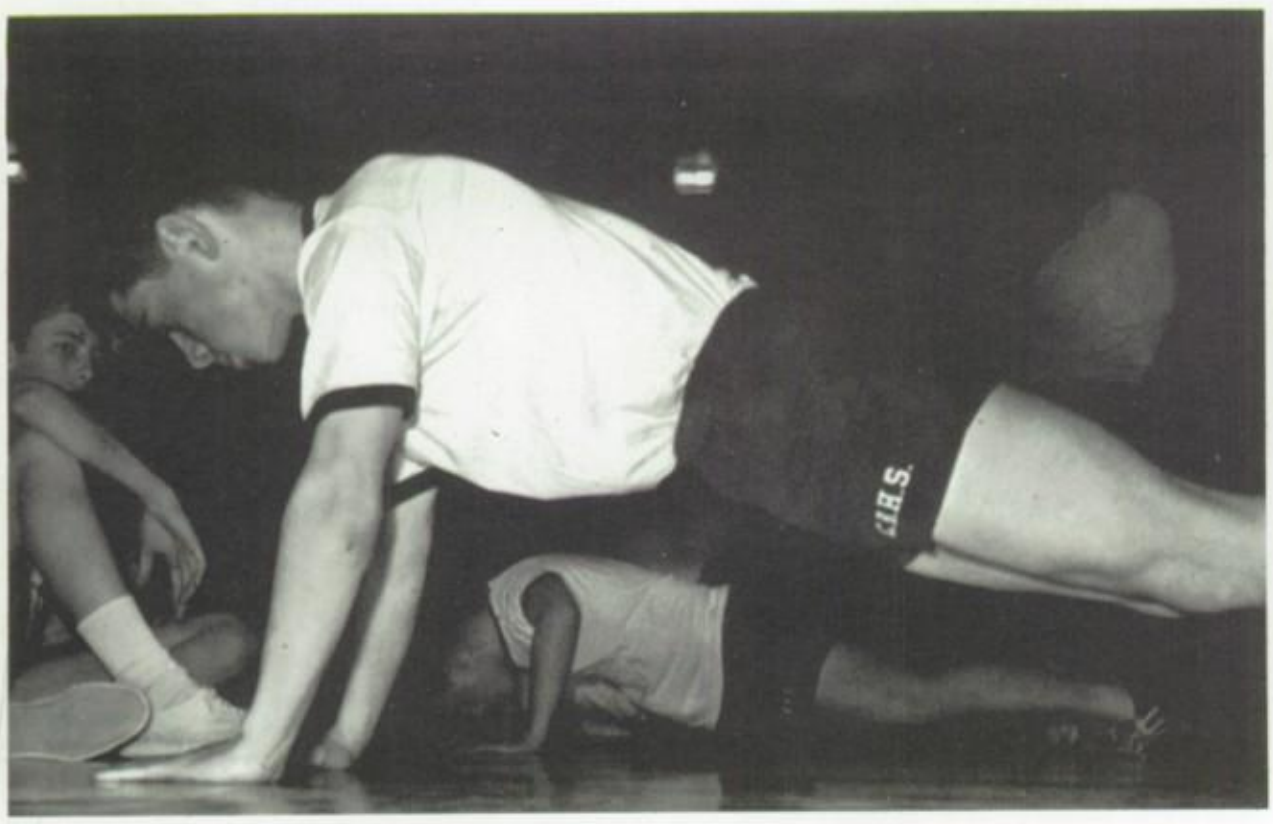
Physical Education



I shouldn't have eaten breakfast.

The leader of the pack.

Under the able direction of Coach Tom Nix, the boys of C.B.H.S. are being transformed into the men of C.B.H.S. The second year of physical education at Christian Brothers High School was every bit as successful as the first. All students participate: freshmen every day, sophomores twice a week, juniors and seniors each once a week. A well-rounded program of calisthenics, running, and athletics provides just the right ingredients for a fit student body.
